Sample Itinerary

Day One | Welcome to Tuscany

Your journey kicks off as you touch down in Florence and meet your dedicated Esselle Tour Manager —your guide, translator, and all-around MVP for the week. After introductions, you'll head into the heart of Tuscany.

DAY Two: Montecatini Magic and Serie A Showtime

Spend the morning exploring Montecatini's spa town charm. In the afternoon, head to Bologna to visit the stadium and catch a thrilling Serie A match—an unforgettable start to your football adventure.

DAY THREE: Pisa, Lucca and Towering Memories

Today, you'll venture west to Pisa for a look at Italy's most famously wonky landmark—the Leaning Tower. Snap those team photos, travel west to snap photos at the Leaning Tower of Pisa, then continue to the walled city of Lucca for a relaxed afternoon of Italian culture. Return to Montecatini for dinner and downtime.

DAY FOUR: Florence and First Friendly Fixture

Explore Florence's historic streets and Renaissance art, then shift from tourist to player for your first friendly match against UC Giovanni Vianova. Give it your all, then head back to celebrate over dinner.

DAY FIVE: From Ferraris to Fortresses

Head north to Maranello to visit the Ferrari Museum, then on to Ferrara to explore the medieval Estense Castle. Arrive in Venice, check in, and recharge for the next day's action.

DAY SIX: Venice Vibes and Vincenza Victory

Enjoy a free morning to explore Venice or Mestre. In the afternoon, head to Vicenza, take in the sights, then gear up for your second match against Lux Castelgomberto.

DAY SEVEN: Final Fixture and Venetian Finale

Face off against Pedezzi Calcio in your final Italian friendly. Afterwards, soak up the magic of Venice one last time before a well-earned farewell dinner with the squad.

DAY EIGHT: Departure Day

An early transfer to Venice Airport marks the end of your tour—taking home unforgettable memories, stronger team spirit, and three epic games played on Italian soil.
